STATE ELECTIONS IN WESTERN AUSTRALIA

SYSTEM:-

67) We run to the Courts of Law whereby we expect to receive Justice,However,to our dismay, we have been turned into victims by the current Judicial System through the unfair biased actions caused by some Judicial Officers of the Court conniving with some Officers of Court in Support of the Insurance Commission of Western Australia against the Legitimate Injured People.

68) I want the public to be well aware that, the definition of Justice forbids the Practice of untouchability in any form, that all are equal before the Law and equality before the Law is paramount. The guarantee is that, equality in the eyes of the Law, is the principle that each independent being must be treated equally by the Law and that all are subject to the same Laws of Justice and due process.

69) The Articles of Human Rights which I have provided , will help guide you from being forced to do the things you don't want to do.Currently,the Community is suffering from access to Justice and basic Human Rights in Western Australia State. We are the oppressed people, please (Vote for me) so that I get a chance of removing the Untouchable and together we must abolish hetrade and the stigma of Racism.

70) Let us all be united in preserving the Land and a better future for the generation to come and more importantly, to ensure that we support those who are struggling to make a living. To ensure that human rights and the principle of equality and Justice are upheld across all sectors.

71) I will legislate to abolish a culture of sending people to prison because of unpaid fines. There must be humane way of dealing with the Issue.

72) I will legislate to protect the rights of children under the jurisdiction of UN Convention and stop the Youth from being sent to adult prisons or any prison at all. To ensure that preventive measures are put in place to stop children from entering the Justice System and prisons in the first place. More funds will be provided to ensure that parents have enough support to look after their kids with the support of Cultural Leaders in their respective capacity.

73) I will legislate to rise the age of Criminal responsibility from 10 years to 18 years of age. To ensure that mechanism is put in place to review a culture of Criminal record imposed on our people, which have ruined their lives to the extent of forcing them into Homelessness. Those people deserve to be treated with dignity and respect.

74) Western Australia Government and the Justice System are in breach of Human Rights Values in critical areas. The State Treatment of Refugees and the indigenous people is appalling. Please (vote for me) to ease deal with racial inequality in the Justice System. To reform the Legal System and deal with the suffering, injustice from discriminatory policies because of Systemic racism. A Culture of double standard in the application of the Law in a partisan manner to harass and intimidate the Community must cease with immediate effect. Parliament and the Justice System must uphold the Human Rights Values of all people.

75) The current Government don't have proper Institutions to deal with racism. Racist in Australia have never been punished or being held accountable.

76) "That is the reason why, I took a brave decision to sue the Australia Government to the International Criminal Court and to the United Nations because of Racism and refusing to recognise the Indigenous people in our Constitution, until now the Investigations are still going on".

It is on record that I have been fighting such uncivilised attitude for so many Years. As you all know the way how I fought very hard to Import Matooke in Australia Since 2006 until When was allowed to Import Matooke in 2013.Due to my perseverance there have been some slight changes of allowing some food, but the Situation is still wanting. If given the Opportunity to represent you, rest assured that, such abuse will never be tolerated. I will make sure that more multicultural People are deployed at the Boarder Customs to ease protect unnecessary spending imposed to African Importers when clearing their goods. To ensure that Containers from the African Business Community must be cleared within three days to avoid extra Costs because of unnecessary delay based on Racism and Superiority.

83) I have just discovered that, some People stole my Matooke Brand conniving with some Corrupt Officials. To make the matter worse these people have been misleading the public that Matooke is to be stored for more than two years. As a Pro-developmental initiator and founder of Matooke Project in Australia, I have gathered the evidence in a process of preparing to sue these thieves in Court. A Culture of appropriating people's ideas must cease. If elected, I will legislate to protect people's ideas from useless people who think that it's okay stealing peoples Projects. To ensure that, those who have fresh and great ideas should be supported financially so that their dreams come true in the best interest of the Community and our Nations Economy. To ensure that the Banks Support Small Business on a Lower Interest Loan to ease recover from the hardship of Cononavirus Lockdown. The same should apply to those with good ideas to start their own Businesses.

84) SKILLS TRAININING FOR JOB CREATION:-

85) Some years back, I was invited by the Director/Co Founder of Stanley International College Mr.Dhyan. 118) Coronavirus Covid-19 is air born and invisible can only be deterred by wearing Personal Protective Equipments For Example:-Masks, Gloves and Glasses. Closing boarders is not a solution. The Premier Mr. Mark McGowan should not politicise the issue and should stop a Culture of misguiding the public that he made us safe. I challenge the Premier that, we are safe in Western Australia because of the Almighty God and because some Special People who Live in this State.

119) You cannot claim that you made us safe when your Employees for Example forced me to attend an appointment booked against my will, even refused to provide one pair of a face mask at the beginning of the First Lockdown. The same people Employees of Mr. Mark McGowan refused to reimburse my Tax Travel Expenses in such dangerous situation to ease buy the essentials at a time when the Community panicked and bought everything from the Super markets when knowing that, I was Ill not feeling well living by myself. The Premier Cannot claim that he made us safe when the truth is that, he even failed to provide free face Masks to the Western Australian Community. He cannot continue politicking the matter when he even failed to provide Free face Masks to the entire Security Personnel including those who are protecting our beloved Communities in the isolation Hotels. That example illustrates very clearly that the Premier failed a grave breach of a duty of care to provide free Masks to the Western Australian Community during Covid-19 pandemic. The only way of saving our people from such invisible Coronavirus Covid-19 is to provide free Masks and Gloves to our beloved Community but not closing boarders. How could you deny one person to go swim at the beach because of saving us from being effected by Corona virus Covid-19?.

STATE ELECTIONS IN WESTERN AUSTRALIA

120) We must also have the Capacity to manufacture our own Personal Protective Equipment right here in Western Australia.

121) INSURANCE COMMISSION OF WESTERN AUSTRALIA AND JUDICIARY:-

122) Some of you have been sad asking me what happened to me because of walking with Elbow Crutches. The truth is that, on 22 December, 2017,I was on a mission of feeding the hungry Community with food.I always endeavours to see our Community happy.Unfortunately,in that process a lady by the name of Kelly suddenly drove through standing vehicles and contravened with the red light Traffic signal. She was over speeding beyond the normal speed limit wholly collided with me causing damage, injuries and harm to my life.

123) Kelly was negligence as she deliberately refused to stop at the red road light Traffic signal and I suspect that she was under the influence of illegal drugs according to the Police report. Kelly knew very well that, what she was doing is illegal and dangerous. Her Criminal acts have ruined my life and that's why some of you have missed me for so long. I am now trying to recover from such terrible Trauma. After a thorough investigation the Insurance Commission of Western Australia accepted liability and three Professional Doctors including the one Appointed by the Insurance Commission all recommended that I should be Compensated and the Insurance Commission should pay for further treatment as a result of my injuries from that terrible car accident. I hope that I have answered the questions to your Concerns.

124) Nevertheless, despite all of the recommendations the Insurance Commission Conniving with Lawyers and the Court deliberately refused to Comply with Doctors recommendations. Even knowing very well that, all of them are not qualified Doctors.

125) To make the matter worse, the Lawyers lied in the Court Chambers in the process of representing the Insurance Commission of Western Australia State against my claim. I was forced by the Circumstances to lodge a Serious Complaint against the same individuals (Officers of Court) involved for Conflict of interest (b) Undue pressure and Harassment (c) False swearing of documents/Affidavits (d) Failure to correct false and misleading representation and to identify and file proper Affidavits with a genuine explanation in Court about the abuse (e) Unreasonably refusal to reimburse my Tax Travel expenses when knowing very well that I am struggling under Financial Hardship (f) Unreasonable refusal to comply with Doctors recommendations for further treatment.(g) Professional Misconduct by causing an Affidavit to be prepared, Sworn and be filed in the District Court and Supreme Court of Western Australia(Court of Appeal) (h) Filed an Affidavit which was misleading and had the potential to mislead Court, causing suffering and pain (i) Unsatisfactory Professional Conduct providing an invoice that should be paid by me knowing very well that, Tax Travel Vouchers were not provided to ease attend the appointment booked by themselves.(J) The demand to pay the invoice which is not reasonably required to be carried out in the manner in which it was carried out (K) Proceedings in a matter they knew some information in the Affidavit which they filed in the Court Chambers is false and intended to mislead the Court, causing trauma and anxiety to my life (L) Offences of dishonesty.

126) The Accused Lawyers are Mr.Clyne, Ms.Deirdre, Ms.Ruth, Ms.Jade and Ms.Melanie. Please note that some of these Lawyers again lied in Court that, I am receiving Disability Payments from the Commonwealth of Australia, Which is not true. I have never been paid Disability payments from the Commonwealth.

127) Furthermore, Mr.Clyne on Wednesday 19 February, 2020, lied before His Honour Judge Goetze of the District Court in the Court Chambers.Unfortunately,his Instructor Ms.Melanie did not correct such violation as soon as possible. Those Officers of Court had the potential to mislead the Court and the evidence filed in Court and Superior Offices is against them. Again on 24 September, 2020, Mr.Clyne Counsel of the Insurance Commission lied in the Court Chambers and the Deputy Registrar Hewitt of the District Court defended the lie. I was humiliated by the Deputy Registrar when trying to show the evidence that Mr.Clyne is lying in the Court Chambers. Instead of listening to my point the Deputy Registrar chased me out of Court.

128) After leaving the Court Chambers, I went straight to the Court Administration and verbally expressed my dissatisfaction against Serious Professional Misconduct caused by a Judicial Officer. At the same time reminded the Court all the emails sent to them in regards to the matter. The Court acknowledged receipt of my Complaints.

129) On that very day the 24 September, 2020, after reaching home, I received an email from the district Court from the deputy registrar Hewitt confirming that he was wrong in his decision. His letter states that, I quote, It has come to my attention that the Court informed the Parties by letter dated 27 August, 2020, that Mr. Mubarak's objection to the issues of subpoenas was listed for directions on 24 September,2020.

130) The Deputy Registrar Hewitt Further stated that as a consequences, clearly the Defendant was on notice of the issue, in those Circumstances, I consider my costs order in favour of the Defendant was incorrect and it shall be vacated and costs shall be reserved.unfortunately,he did not apologise for his Serious Misconduct against me during the Court Proceedings.

131) There is a time when the Registrar Kubacz of the District Court Ordered for the same information which is already filed in court and to make the matter worse, she made order that, I should provide the Entire Centrelink file to the Court when knowing very well that, the file is not in my possession and I don't have power to provide such. She made error in Law knowing very well that the matter falls under the Jurisdiction of the State of Western Australia not the Commonwealth. Her Order was pure harassment, bullying, abuse of Jurisdiction and abuse of power.

132) As a matter of fact, the State Courts cannot have power over the Federal Jurisdiction. The matter of my injury Claim as a result of a Car accident which occurred in western Australia State confer under the jurisdiction of western Australia State pursuant to Sections of the Motor Vehicle (Third Party Insurance) Act 1943 (WA) but not the Commonwealth. Federal Jurisdiction in Canberra has nothing to do with my injuries and I am not claiming compensation from the Commonwealth Jurisdiction.

133) The Compensation I am seeking is to be paid from the Treasury of Western Australia State under the Jurisdiction of the Honourable Ben Wyatt MLA,Treasur and Minister responsible for the Insurance Commission of Western Australia and Indigenous Affairs. Mubarak Kim as Champion of fighting for the indigenous people, it really hurts being mistreated by Hon. Ben Wyatt in such manner who claims to be representing the Indigenous.

134) Based on all of the above, I have lodged multiple Complaints to the Governor the Honourable Kim Beazley, The Honourable Chief Justice of western Australia, The Judicial Review Commissioner, The Legal Professional Misconduct, The Law Society of Western Australia, The Commissioner of Police Force in Western Australia and the Court of Appeal to no avail.

STATE ELECTIONS IN WESTERN AUSTRALIA

135) The District Court have a Culture of making illegal Orders as a Cover-up in favour of Suspected Serious Misconduct (Officers of Court).Also have a culture of abuse of our privacy conniving with Doctors against our will.I had applied to the Supreme Court of Western Australia (Court of Appeal) seeking urgent intervention pursuant to section 44(1)(2)(a)(b) Interim Order of the Supreme Court(Court of Appeal) Rules 2005-REG-44(WA),Section 55(a),444(2)(b)(3) of Legal Profession Act 2008 (WA),Section 465(a),Section44(c) and Section 447 of Legal Profession Act 2008(WA).Unfortunately, I have been prejudiced in this matter by the Courts, there is enough evidence to prove that the matter have been under procedural bias and Cover –up in favour of Suspected serious Professional Misconduct (Officers of Court) such act which I consider as impede of equality before the Law.

136) The evidence filed in Court against Suspected Serious Professional Misconduct (Officers of Court) illustrates very clearly that, those Individuals violated Rule 2.2,3.2,3.3,14.2,14.4(2),14.14,21.1 and 21.4 of the Law Society of Western Australia Professional Conduct Rules (WA)

137) Furthermore, violated Section 141,section 403,Section 465(a),Section 106(1)(a)(3),Section 402,Section 117(1)(a)(b)(c)(2) and Section 120(1)(a)(5) of Legal Profession Act 2008(WA).

138) Accordingly, the State is in Violation of article 2(1)(2)(3)(a)(b) and (c) of International Covenant on Civil and Political Rights. In addition article 1,2,3,5,7,8,25(1) and 29(1) of Universal declaration of Human Rights. Furthermore,article 1(1),2(1).4(1)(2),5(1)(a)(b)(c),14(1) and 16(1) of the Convention against Torture and other cruel, inhuman or degrading Treatment or Punishment.

139) It is unfair to say that Officers of Court can demand this and that, but cannot comply with the same Laws which they champion. By the time those Officers of Court lied and misled Court in the Chambers, making false and misleading statements on Oath with intention to wilfully mislead the Court, that itself is evident that had engaged in Professional Misconduct pursuant to section 403 and section 402 of Legal Profession Act 2008(WA).The conduct which is reasonably regarded as disgraceful and to substantial degree, fell short of Professional Conduct standard approved by Members of the Professional of good repute and competence, and from that point automatically all of them lost power in the eyes of the Law. It is a shame that the Courts and Superior Offices are still protecting such abuse.

140) Judicial Officers of Court are meant to protect the rights and freedoms of members of the Community but not to harass, bully and Torture them. If a person does not wish to assume the obligations to the Court or Barristers, that person should not seek admission by the Court as such.Then,once admitted, the additional duties of invariable candour as well as honesty to a court prevail.

141) The Law is very clear that, Officers of Court must not knowingly make a false statement or recklessly misleading the Court on any matter. Counsel must never involve himself to the act of conflict of interest. Must maintain and respect the rights and liberty of the complainant.

142) The Law Society of Western Australia Professional Rules states that,14.2 of the rules, Counsel must not intentionally deceive or mislead the Court. General rules of Professional Conduct 2.2 states that, a Practitioner must not engage in conduct, whether in the Course of Practice or otherwise, which is dishonest or likely to a material degree, to (a) be prejudicial to the administration of Justice, or (b) bring the Profession into disrepute.

143) General rules of Professional Conduct 3.2 states that, a Practitioner must not intentionally assist or induce another Practitioner to breach these rules.

144) General rules of Professional Conduct 3.3 states that, a Practitioner must take reasonable care to ensure that any partner, Associate or employee of the practitioner does not beach those rules.Unfortunately, Officers of Court as mentioned in this Manifesto have been violating those rules.

145) General rules of Professional Conduct 14.4(2) states that, Counsel must at all times use best endeavours to avoid unnecessary expenses and waste of Court time. General rules of Professional Conduct 14.14 states that, Counsel must withdraw from representing the client if counsel is likely to be a witness on a material question of fact and Counsel can withdraw without jeopardising the Client's interest.Unfortunately,the Officers of Court as explained before violated those rules.

146) General rules of Professional Conduct 21.1(Conduct of Practice) states that, a Practitioner who carries on legal Practice must ensure that the practice is efficiently and properly administered and must take all reasonable and practicable steps to ensure that professional engagements are fulfilled or that early notice is given if they cannot be fulfilled.

147) General rules of Professional Conduct 22.2(Conduct of Practice) states that, a Practitioner who carries on a legal Practice must ensure a Practitioner is supervising that legal Practice at its main place of business whenever that practice is open for business.

148) General rules of Professional Conduct 25.1(Agent's and Counsel's fee) states that, if not otherwise agreed, a practitioner who instructs another Practitioner (Including and Interstate Practitioner) to advise on or to assist in a matter is responsible for the payment of the other practitioner's fees.

STATE ELECTIONS IN WESTERN AUSTRALIA

149) All Officers of Court Swear an Oath of Office in which they promise that they will uphold the Law and act impartially without fear or favour. Judicial decision making must be impartial and not swayed by identity of Parties before them. That is essential for Courts which are reviewing government decisions.

150) Decision makers are bond to take into account peoples complaints very seriously. The Law protects complainants and part of the duty of procedural fairness requires that a person whose interests are directly affected be given the opportunity to be heard in peace.

151) The full bench of the Supreme Court of Western Australia (Court of Appeal) have power to deal with Serious Professional Misconduct against Lawyers (Officers of Court) as explained before pursuant to Section 446(1)(a)(i),Section 465(a),Section 444(2)(b)(3) and Section 55(a) of Legal Profession Act 2008(WA).Unfortunately, the Current Judicial System is bias and have no morals of Human rights Values.

152) If given a Chance to represent you, I will legislate to empower the Community so that, we must have Independent Concerned Citizen Court (ICCC).

153) My humble appeal to our beloved Community and particularly those who have experienced the same problem is that, kindly, rally behind me and strongly support my campaign towards a path of success and happiness. Please Vote for Mubarak Kim for real change and a better future.

155) If elected, I will legislate for tough Laws against those who infringe on peoples privacy. A culture of some people zooming in Neighbour's Houses must be dealt with accordingly and be condemned at all level.
